Vendor Application – Frederick's Oktoberfest 2010

October 2nd and October 3th

This year, Oktoberfest crafters will be located on the main thoroughfares of the event. The reason for this change is to make the crafters more visible. The location of the tents will be along the two main entrances, and between the Beer Garden area and the Children's Area which should improve the traffic.

The Oktoberfest committee will **not** provide a general tent for vendors. Vendors must provide their own tent. If you need assistance in obtaining a tent, please contact us at least 30 days prior to the event and we can provide you with rental information.

SET – UP INSTRUCTIONS

The Craft areas will be opened from 11:00-6:00 on Saturday and Sunday.

The area will be opened on Friday between noon and 7:00 pm. Saturday morning set-up can be arranged if needed, as long as you are ready by 10:00am. The Oktoberfest committee requests that you **must** have your site set-up by 10:00 on Saturday October 2, 2010.

Security on the grounds will be provided on both Friday and Saturday evenings.

Please note on the application when you expect to set up so the appropriate assistance can be arranged.

Any questions concerning the above information, please contact Lisa Ortiz, @ 301-466-4440 or email to lortizdc@aol.com
